## Thinking Faith S02E10: Papal Predictions and Holy Hunches

In this episode of Thinking Faith, recorded just before the election of Pope Leo XIV, Deacon Eric Gurash and Dr. Brett Salkeld put on their Vatican-prognosticating hats to reflect on the passing of Pope Francis and wonder what might be on the minds of the Cardinals heading into the conclave. From thoughts on papal names (yes, they took a few stabs!) to the kind of leader the Church might need next, they provide a snapshot of their hopes, hunches, and theological musings — and you get the benefit of hindsight! Tune in for a mix of heart, history, and a little holy speculation. **Did they predict right, tune in to find out!**

## Stewardship Bulletin Bit

**"I am the Alpha and the Omega, the first and the last, the beginning and the end." (Revelation 22:13)**

This is a reminder of how we should live our lives 24 hours a day, 7 days a week – putting God first in all that we do. Not only when I am at Mass and parish activities, but when I am in the world, at work, or at school. Living gratefully and generously is an intentional lifestyle. Every decision you make either moves you closer to God or farther away. Choose wisely!
