Bulletin Reflection Gospel: Mark 12:38-44

Jesus honors the poor widow who offers two small coins—all she has—to the temple treasury. Her generosity teaches us that the value of a gift lies not in its monetary worth but in the love and sacrifice it represents. In supporting the Archbishop's Appeal, even modest contributions become powerful when given from the heart. Our collective offerings, big or small, unite to make a significant impact. Like the widow, let us give not from surplus but from faith, trusting that God will multiply our gifts for His greater glory.

Stewardship Bulletin Bit

“I say to you, this poor widow put in more than all the other contributors to the treasury. For they all contributed out of their abundance; but she out of her poverty has put in everything she had, her whole living.” (Mark 12:43-44)

Jesus gets right to the point – we are all called to give money to support the mission of the Church, regardless of our circumstances. No gift is too small or insignificant! Giving money to support the mission of our local parish is a matter of our faith, just like praying and participating in parish ministries. When you make a financial offering, is it from your “first fruits” or from what is “left over”?

The Light Shines Through the Broken Places

A prayer service

Everyone is invited to join Holy Child Parish and Bishop Don for an evening of prayer and participation in the spirit of a relational church. We will listen to and journey through a clergy sexual abuse prayer service, The Light Shines Through the Broken Places. We are reminded that, although victims are often broken, the light of Christ may shine through their brokenness. The service will encourage us to find the courage to listen deeply and compassionately to those wounded in a place where they should have found love. Pope Francis's call for a church that gets its hands dirty and bends down to heal the wounds and relationships caused by sin will lead to a synodal church. Join us in the hall afterward for fellowship and discussions on how to get our hands dirty.
